Excerpt from a letter we received from a parent: "Your program is phenomenal and it gave Myles the opportunity to enhance his self-esteem, courage and confidence. You gave him skills, experience, knowledge, trust and constant reassurance and encouragement that is absolutely priceless. You have left an incredible impression on Myles and you have planted a seed that I continue to see grow and shine. Thank you for giving him this invaluable gift that will stay with him forever. You are truly God sent." – Sue S., Mother
